

Gee Wiz what a Building

Fall 2014 Cavalry Contracting was hired to build a 40' x 70' Atlas 18 Britespan Fabric Building. The customer was in need of more storage for their business, and wanted to transition the office from their home to a new site. This was a cost effective option for them, that looks great.

Project Location: Tottenham, Ontario

Project Duration: 1 month

Project Scope: Engineered post foundation
Supply and installation of a 40' x 70' Atlas 18 Britespan Fabric Building
Strapped end wall and side walls and enclosed in Diamond Rib siding
Site specific engineering

Cavalry Contracting, is a leader in the Construction Industry across Ontario
